

**Remuneration Packages for Staff in the Top Three Tiers
of Non-governmental Organisations (NGOs) operating Subvented Welfare Services**

Review Report for the Reporting Year of 2022-23

According to the Lump Sum Grant Manual, NGOs receiving recurrent subventions of not less than \$10 million a year and such amount exceeds 50% of their operating income pertaining to services / programmes within the welfare purview are required to submit the "Review Report on Remuneration Packages for Staff in the Top Three Tiers" (Review Report), and regularly review the number, rank and remuneration packages of their senior executives in the top three tiers.

NGOs currently exempted from completing and disclosing their Review Report are encouraged to consider making public the remuneration information of such staff in order to enhance their public accountability and promote the public's understanding of NGOs' financial position.

In cases where the top three-tier positions of the NGO (or of a particular division, e.g. social service of the NGO, where appropriate) are funded entirely by the NGO's income from sources other than the Government, other senior staff of the NGO (or of its particular division) occupying the subsequent three-tier positions may be covered subject to the NGO's particular circumstances such as its organisational structure.

[Please read the explanatory notes before completing this form. The completed form should reach the Social Welfare Department (SWD) through electronic submission by 31 October 2023.]

<i>[Part (A)(1)(c)+(2)(c)+(3)(c)+ Part (B)(1)(c)+(2)(c)+(3)(c)]</i>		

(b) Please select and complete the following as appropriate to state the result of this review -

- The remuneration packages of staff in the top three tiers have been reviewed and **no change** was found in their remunerations as compared with the preceding year.
- The remuneration packages of staff in the top three tiers have been reviewed and **change(s)** was found in their remunerations as compared with the preceding year. The tier(s) having changes and reasons for such changes are stated below :
 - Upward/downward pay adjustment in accordance with Civil Service Pay Adjustment (details are given at the bottom, if any).
 - Upward/downward pay adjustment other than Civil Service Pay Adjustment (details are given at the bottom, if any).
 - Incremental creep (details are given at the bottom, if any).
 - Organisational restructuring or upgrading/downgrading of top three tier posts (details are given at the bottom, if any).
 - Increase/decrease in the number of staff of the top three tiers (details are given at the bottom, if any).
 - Other circumstances (please provide details in the box below).

As compared with 2021/22, the variations on annual staff costs under subventions are caused by staff movement, i.e. decrease 2.65% in the 1st tier, increase 3.45% in the 2nd tier & increase 27.06 % in the 3rd tier.

The double-digit increase for the 3rd tier in 2022/23 is mainly due to an additional post of Senior Service Manager which was created and filled up from mid-Apr 2022 onwards.
